## GET REAL

Our kitchenette has gotten real! We mean real food. We've made some recent changes and swapped out for real, wholesome ingredients such as fresh eggs, locally baked bread and premium all natural meats. We take good food seriously. We make our soups, salads and sandwiches fresh. Many of our ingredients come from local farms, suppliers, and bakeries. We want to ensure that the food we serve is the freshest. This makes our food look better, taste better, and be all around much healthier.

## IN THE COOLER

Check out the cooler for hearty soups, healthy snacks and quick sandwiches to grab and eat even after the kitchenette is closed. Selections will vary with mood of the kitchenette foodies.
